A special thanks to Sister John Cruz for sharing her past ten years with the students of Bishop Kearney High School. She has given all of us a sense of individuality through her love and devotion.

Sharing, Caring and Daring is the motto of our school and through your help, Sister John, we have learned to use this throughout each day making everyday easier for ourselves and the people around us.

We, the Class of 1980, dedicate this book to you and we wish you the best of luck in the years to come. Thank you for being you.

Education is a social process . . .  
Education is a growth  
Education is not preparation for life  
Education is life itself.  
John Dewey

To the Class of 1980

To you we leave the memories of yesterday's dreams

The hope of a future

To you we leave the experiences and the tears

The dream of a better world

Take those dreams — and make them a reality

Take our sadness — and change it into joy

Take our today — and make it your tomorrow

Take our moments laughs — and share them forever

for

To you we give our tears — for it is hard to say good-bye

To you we give our success — for it is you who have helped us

gain it

And to you we give our hearts — for you have taught us that love

goes on

Even though we must go our own ways

The Seniors of 1980 leave this Legacy as did the Seniors of '75 as a hope for years to come, as a dream of future good, and as a memory of the laughs, tears, and dreams they shared in Bishop Kearney High School.

STUDENT FACULTY COUNCIL

Bishop Kearney's Student Council consisted of elected officers from each year. Under the direction of moderator Sr. Virginia Lake and President Susan Oaso, the girls worked to achieve unity, participation, and spirit. The Student Council, along with the Administration, worked together to coordinate many of the activities throughout the school year.

SENIOR REPS

Freshmen Year Chairmen and Representatives with Sr. Dolores McMahon and Mrs. Nardie, Moderator.

Sophomore Year Chairmen and Representatives with Ms. Tobin-Herron, moderator.

$$2 + 2 = 22$$

The Bishop Kearney Math Team under the guidance of Miss Rizzo consisted of approximately twenty girls. These girls took four tests during the school year in which they competed against other high schools. The Math Team's success in these tests proved that Kearney was, and always will be, #1!

## CHECK-MATE

Where can we go to play? Sister Elizabeth Graham has found the answer. As moderator of the Dixie Chess Club, Sister has given many girls a chance to meet after school hours and enjoy their favorite games of mind and strategy.

# SPEAK UP

Pamela Caputo and moderator Mr. John Zuhke, have worked hard with the girls to make the "Speak Up" program a success. During the year, the girls have been able to express their thoughts and feelings on many topics. The girls are sure to be happy to hear that the program is a success.

# SMILE YOU'RE ON CANDID CAMERA

Photography Club is all about the girls, with the guidance of Sister Margaret Therese. The girls are sure to be happy to hear that the program is a success.

# LET'S TALK

I am the first person you want to know. You are the person I want to understand. FEE deals with a group of girls coming together to talk about themselves and others. The Core Group are trained peer group leaders who have held several rap sessions during and after school. With the assistance of Sister Maureen Keating and Mrs. Gonzalez, they met every Monday afternoon to talk and open new doors to the world around them. Recently, a new FEE has been formed. They will not just replace old FEE, but they will continue to find the answers.

# CIAO . . . HOLA . . . BONJOUR.

The members of the Language Club, along with Sister Josephine Barbieri, have done many things to enrich their knowledge of different cultures. They have written papers, gone to restaurants, and gone on other outings. Not only have they learned about other people and their cultures, they have shown that the future is a bright one.

# KNOCK THOSE PINS DOWN

Monday bowling with moderator, Sister Barbara Duckbee

Avenue M Lanes is where the action took place for Bishop Kearney bowlers. Meeting once a week on Monday and Wednesday, the girls shared an afternoon of fun and competition. They were cheered on by Sr. Barbara Duckbee and Sr. Mary Annette, the moderators. The girls' efforts and sportsmanship came to fruition at the end of the school year when they were awarded for their accomplishments.

# THE ACADEMIC ELITE

Members of the NHS with Sr. Patricia Heiser, moderator

Members of the NHS with Sr. Joan Gavigan, moderator

A young girl must have **scholarship** if she is to succeed in today's ever-expanding world of knowledge. She must have the **leadership** to cope with the awesome power of the world and learn how to mold it for the greatest good of man. She must have **character** in order to come to terms with herself and to find her place in the future.

Lastly, she must have the initiative to inspire others by her actions. These are the principles which NHS members incorporate into their lives.

# THERE'S THE CAPITOL

Mr. President, May I make a suggestion on . . . " asked a Kearneyre on her visit to the White House. The Gose-up Club, with Ms. Loffredo, shared an exciting week in the Nation's Capital. They attended meetings and conferences with the most important U.S. personnel. They were even able to ask questions. So . . . "Mr. Senator, How do you feel on . . .

# SHOOT THE HOOP

Take a few terrific basketball players, put them together and what do you have? Naturally, you have a great team. But if those players with school super and that B.K. glow, the result is Bishop Kearney Varsity.

Dribbling the ball down the court is not easy. However, with the fantastic coaching of Ms Hansen, along with the constant hard work and effort of the girls, our B K team was #1

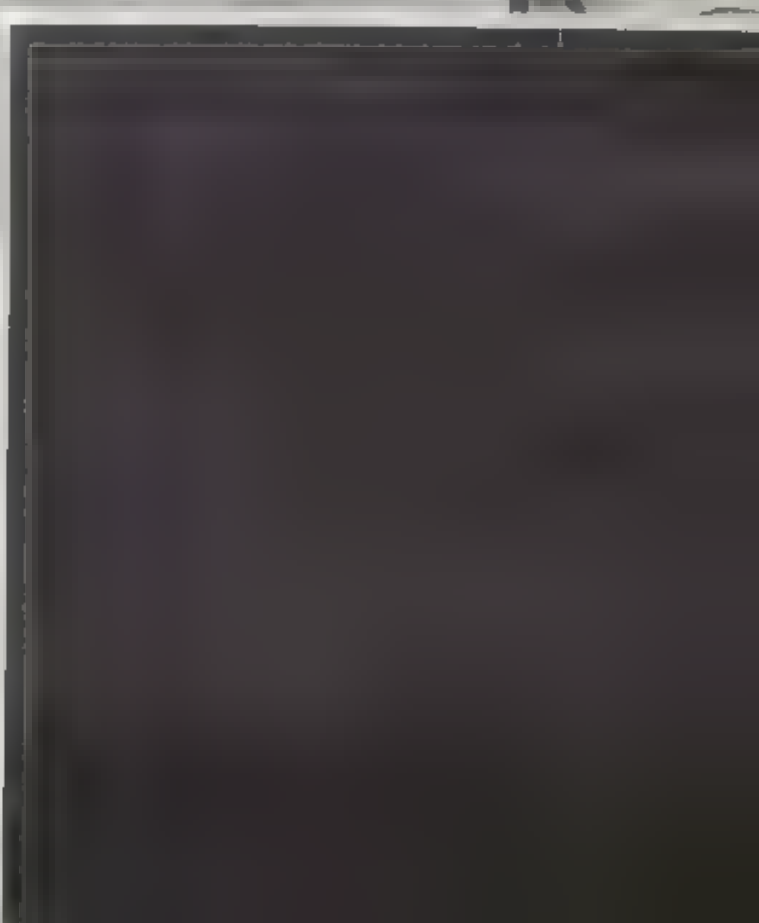

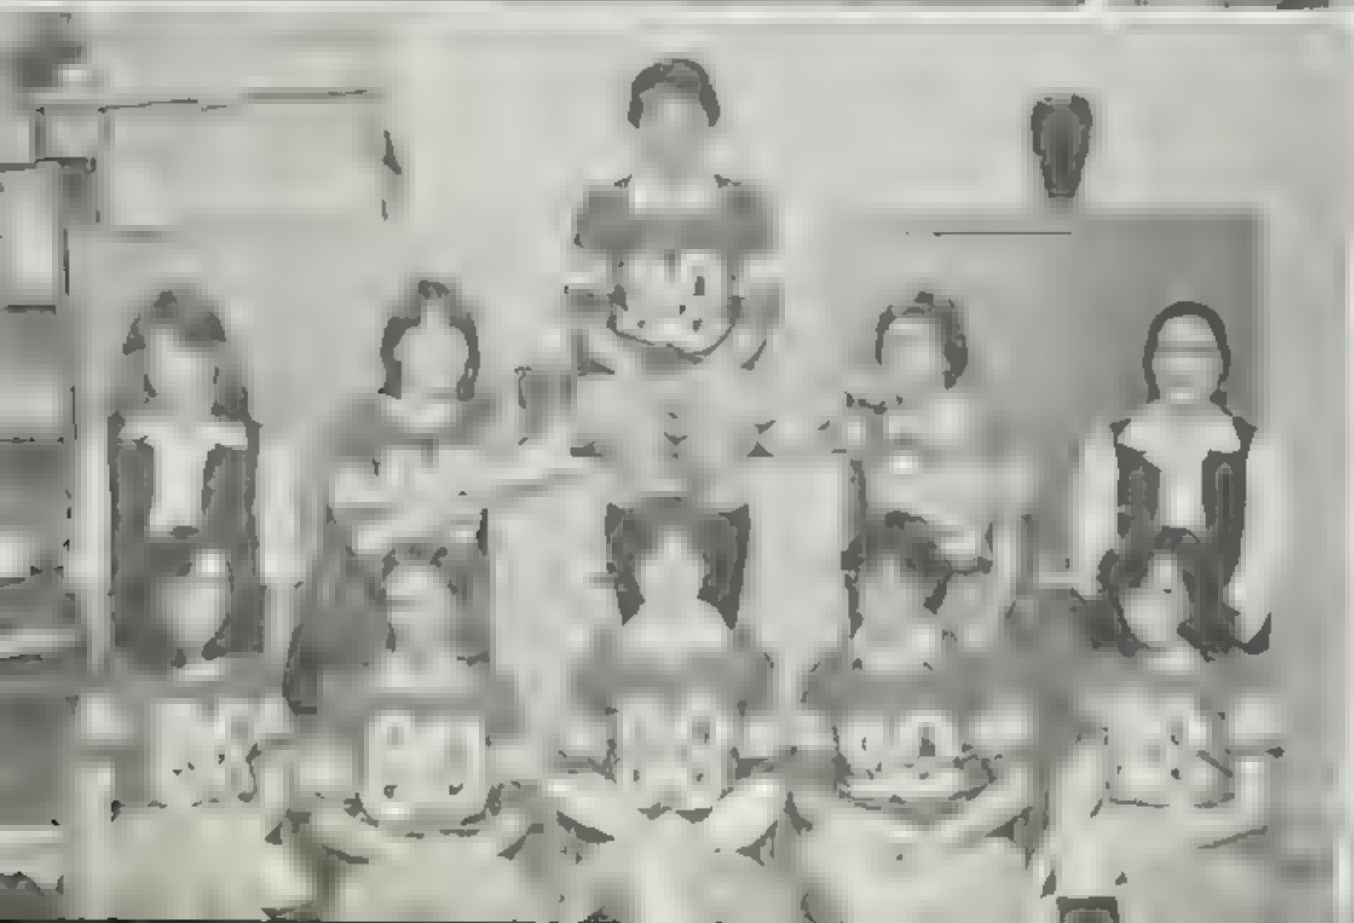

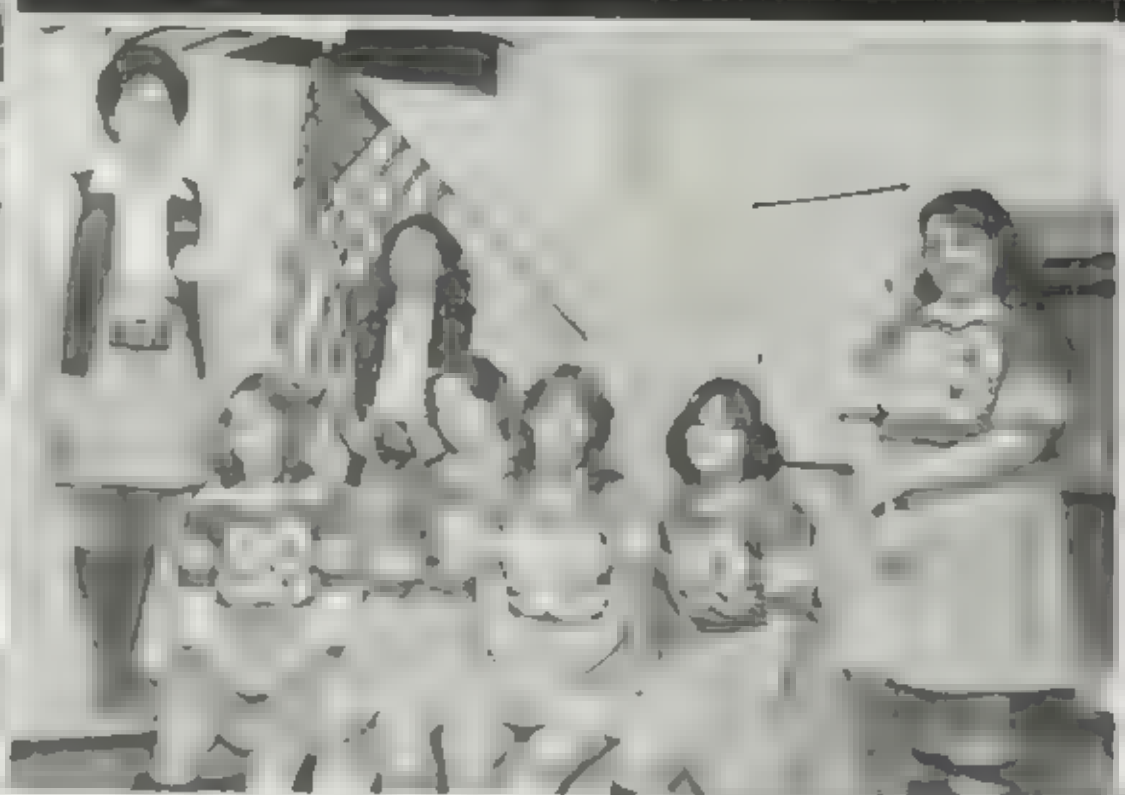

Front Row : Anthony G Higgins, J Pellegrino, F Demmon, A Tremes  
Back Row: Ms. Grace Hunter, A M. H. P., T. C. O'Neil, D.  
Dums, J Donahue, D Pellegrino, Sr. Dolores McMahon, (moderator)

# MEMORARE

The memories for tomorrow  
captured in the pictures of today  
The hours that were spent  
we give as something to remember  
The hard work and the achievement  
all for one goal  
The tender patience  
to help us perfect it  
All of this is given  
of yesterday  
of Memorare 1980

Memories are thoughts  
from out of the past:  
A moment back in time  
that could not last.  
Thoughts that bring a smile  
to the heart and to the mind,  
Though there are those  
of quite another kind.  
Each memory a pearl  
drawn from a string;  
When we are old  
we will have joy remembering.
